TOMTE - The Competence Centre in Tourism Management and Tourism Economics at the Faculty of Economics and Management, Free University of Bozen-Bolzano in Italy, Sunway University of Malaysia, Edith Cowan University in Australia, and ZPID - Leibniz Institute for Psychology in Germany proudly announce the 14th annual Consumer Behavior in Tourism Symposium (CBTS 2021). CBTS 2021 will take place from December 13th to 15th, under the theme "Imagining Tourism Futures Beyond Covid-19".

As in the previous 13 editions, CBTS 2021 will provide yet another opportunity for tourism researchers and practitioners from all over the world to exchange scientific ideas and results and discuss new and emerging directions in research and practice in the field.

CBTS 2021 will be held as a global virtual conference. It will be hosted synchronously from 3 continents, hence allowing presenters and attendees to participate independently of time zones.

The scientific committee welcomes theoretical or applied research contributions in the form of structured abstracts (please see submission guidelines at <https://conference-service.com/CBTS2021/xpage.html?xpage=250&lang=en>.) on the following topics:

- From under-tourism back to over-tourism? Consumer behavior after pandemic times

- Re-envisioning tourism marketing
- Destination management: balancing innovation, governance, and markets
- Current issues in decision making and travel behavior
- From red lists to green lists - policies, governance, and implications
